Call the **Navigator**

Here's how it works:

Call the Navigator at 440-240-7025, for yourself or your child, and discuss your mental health concerns.

The Navigator will connect you with an agency that provides mental health services.

In a three-way phone call, she will help you make your first appointment. She also can help you work with the agency to solve payment, transportation, or language barriers.

The Navigator is available weekdays between 8:00 a.m. and 4:30 p.m., or leave a message any time.
